Wanda Harden has been the Public Relations Coordinator for the Flint Public Library since 2001. This is her second life with libraries; from 1984-1991 she worked as Community Relations Coordinator for the Mideastern Michigan Library Cooperative.

She holds degrees from both The University of Michigan (BS Communication) and Michigan State University (MA Advertising). She is an equal opportunity fan <smile>: she roots for both Michigan and Michigan State unless they are playing each other, then it's all GO BLUE.

Wanda is an active member of several community boards and service groups. The fight to find a cure for Alzheimer's has a special place in her heart!
