

Flint Public Library

LEARN FOR LIFE

Digital Downloads [e-books]: Barnes & Noble Nook

YOU WILL NEED:

- A valid **Flint Public Library Card** and **PIN**
- Adobe ID and password
- Adobe Digital Editions installed on your personal computer
- USB cord that came with your Nook

Compatible file types: Adobe EPUB, Adobe PDF, MP3 on some models

GETTING STARTED:

-Go to adobe.com/products/digitaleditions on your home computer. Click **Download Now**. Follow prompts to install the Adobe Digital Editions software. It will open when installation is complete.

-Get an **Adobe ID**: You can create one within Adobe Digital Editions when prompted, or directly from adobe.com/membership. You'll use this ID later to authorize your Nook.

CHECKING OUT EBOOKS:

-Go to our FPL Digital webpage at flint.lib.overdrive.com. **Sign In** with your library card.

-Choose an eBook in EPUB or PDF format. (MP3 Audiobooks see Page 3). Choose number of days borrowed, 7 or 14, and click **Borrow**.

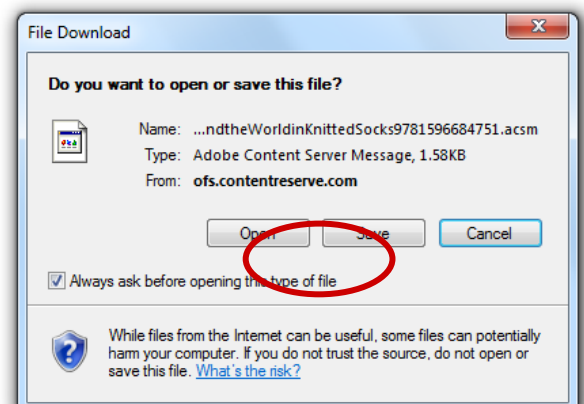

[If Borrow is not an option, you may select **Place a Hold** to be notified when it's available.]

The book has now been checked out. You can check out up to five books.

-**Proceed to Checkout**. Loan time may be adjusted from 14 days to 7 days.

-**Download** and select Adobe EPUB or Adobe PDF format. **Confirm & Download**. A window will appear, prompting you to open an **acsm** file.

-Click **Open** and the file will automatically download and

ADOBE DIGITAL EDITIONS & YOUR NOOK:

The e-book is now open in Adobe Digital Editions.

-Click on **Library View** in upper left corner.

The e-book will be visible in the **All Items** and **Borrowed** “Bookshelves” on the left.

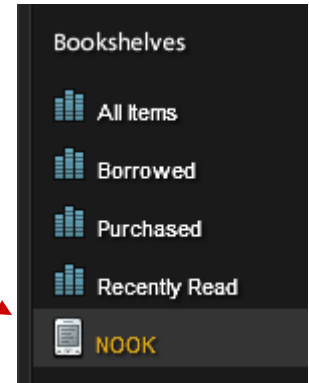

-Turn on and connect your Nook via USB. There is no need to touch anything on the Nook screen.

-**Device Setup Assistant** will open. Authorize the Nook when prompted.

Mac users close Adobe Digital Editions, connect Nook first, then re-open Digital Editions.

Once authorized the Nook appears as a new bookshelf on the left.

-To transfer an e-book to your Nook, drag and drop it from the All Items or Borrowed bookshelves directly onto the Nook bookshelf.

The e-book is now on your Nook.

-Eject your Nook using your computer's **Safely Remove Hardware** function, usually found in the taskbar at the bottom of the screen.

-*Nook Simple Touch*: Click the Nook button, bottom center of device.

Select **Library**. Your e-book will be listed here. Touch book to read.

-*Nook Color*: Click Nook button. Select **Library** from the Quick Nav Bar. Select **My Files**. Select **Digital Editions** folder. Your e-book will be listed here. Touch book to read.

TO DELETE/RETURN AN E-BOOK:

-Connect your Nook to your computer. In Adobe Digital Editions, click the Nook bookshelf to view your Nook's contents.

-Click the arrow in the upper left corner of the book cover. Select **Return Borrowed Item. Confirm.**

-Do the same thing in the **All Items** bookshelf.

-If you don't return the book early, at the end of the lending period the book will have a red **Expired** ribbon on the cover. You may then delete. There are no late fees.

MP3 Audiobooks on Nook

YOU WILL NEED:

- 1st generation Nook or Nook Color
- USB cord that came with your Nook
- Overdrive Media Console software downloaded on your home computer

MP3 Audiobooks are compatible with the 1st generation Nook (it's white) and Nook Color (it's black) only. If you don't know what device you have, go to overdrive.com/resources/drc.

GETTING STARTED:

- If you haven't yet, download and open OverDrive Media Console [overdrive.com/software/omc] on your home computer.
- Go to flint.lib.overdrive.com on the same computer. Follow instructions on previous pages for downloading e-books, but this time select the MP3 Audiobook format.

-**Confirm & Download.**

- When prompted to open choose OverDrive Media Console. Follow prompts to confirm download.
- Make sure all parts of the audiobook are checked, click **Ok**. Your audiobook will now download into the OverDrive Media Console on your computer.

OVERDRIVE MEDIA CONSOLE & YOUR NOOK:

- Plug in Nook via USB cord. Within OverDrive Media Console click **Transfer**. Click **Next**.
- Follow prompts to confirm which device and which parts of the book you are transferring. Click **Next**. The audiobook will now be transferred. When it is finished, safely eject your Nook.
- Nook Color*: Click Nook button. Select **Library** from the Quick Nav Bar. Select **My Files**. Your audiobook will be listed here in parts. Touch a part to listen.

TO DELETE AN AUDIOBOOK:

- Plug in Nook via USB to your computer. Choose **Open Folder to View Files** when popup window appears (or access Nook through My Computer).
- Locate audiobook files you would like to delete, then **Delete**. The audiobook will be deleted from your Nook, but will not be returned to our library until end of lending period. Audiobooks may not be returned early.
